

## Cambridge Structural Database

### *CSD Publication Year Statistics*

**6 January 2014**

Number of crystal structures published in each of the years 1965-2013. Data for 1923-1964 are cumulated in line 1 of the table, and data for 2013 are incomplete as of 6 January 2014. A few structures (112) which will appear in journals very early in 2014 are also included.

<b>Publication Year</b>	<b>Structures</b>	<b>Ave. No. Atoms per Structure</b>
1923-1964	4512	17
1965	656	19
